1948 DRIFT...

It is the sincere idea of the members of the staff of the 1948 DRIFT that a college yearbook is by definition and nature a student's volume. It should be published by a student staff and find its material and cause for existence in the needs of the student body.

This is the thought behind the theme of this year's book
REMINISCINGLY YOURS.

With this conception foremost in their minds, this year's staff has faithfully labored to produce a year book that is representative of the average student attending Butler. The measure of success we may have attained in our endeavors will be directly proportionate to the amount of enjoyment and satisfaction you will receive from this volume not this year, but in future years when this DRIFT may be your only tie-back to the years you spent at Butler.

* REMEMBER . . . THESE WERE THE YEARS THAT YOU WILL ALWAYS REMEMBER AS SOME OF THE BRIGHTEST OF YOUR LIFE. THE DAYS YOU HAD ROUGH SCHEDULES AND THE DAYS YOU HAD SNAP COURSES . . . ALL AVERAGED IT WASN'T TOO BAD, ALTHOUGH SOME PROFS THOUGHT YOU WERE ONLY TAKING ONE COURSE. THESE WERE THE DAYS THAT WENT SO FAST . . . THE DATES THAT SPED AND THE EXAMS THAT DRAGGED . . . REMEMBER THE LONG TRUDGE TO THE FIELDHOUSE WHEN THE WEATHER WASN'T SO GOOD.

REMEMBER HOW GLAD YOU WERE WHEN THE MONTHLY SIXTY-FIVE BECAME SEVENTY-FIVE . . . STILL WITH DATES AND PROMS IT DIDN'T QUITE STRETCH. REMEMBER THE LONG HOURS THAT SHE SPENT ON YOUR CORSAGE FOR THE PAN-HELL DANCE, AND HOW FOOLISH YOU FELT STANDING ON THE STAGE. IF YOU DON'T REMEMBER, YOU'RE OLDER THAN YOU THINK AND YOU DIDN'T PULL THIS DUSTY VOLUME OFF YOUR SHELF A DAY TOO SOON.

* BUTLER IS VERY FORTUNATE TO HAVE A CAPABLE GROUP OF ADMINISTRATORS TO TAKE CHARGE OF THE MANY SPECIFIC OBLIGATIONS WHICH MUST BE FULFILLED TO FORM A SMOOTH FUNCTIONING INSTITUTION. THIS SELECT GROUP OF COMPETENT INDIVIDUALS IS RESPONSIBLE FOR MANY OF THE SERVICES AVAILABLE TO THE STUDENTS AND FACULTY. IT IS INDEED A SHAME THAT THESE PEOPLE CANNOT ALWAYS COME FROM BEHIND THEIR MOUNTAINS OF RECORDS AND STATISTICS TO RECEIVE THE ACCLAIM THEY DESERVE.

Administration

DR. M. O. ROSS

Butler University has been singularly blessed by the presence of a genial dynamo at its helm. Admired and respected by professional men and students alike, Dr. M. O. Ross is serving in the dual capacity of President of the university and as Acting Dean of the College of Business Administration.

BOARD OF DIRECTORS

At the core of every smoothly functioning institution is a capable board of directors. Students of Butler are very fortunate to have such a board. Composed of selfless individuals who are far sighted and progressive, the school is constantly guided to new goals and to new peaks of achievement.

HILTON U. BROWN

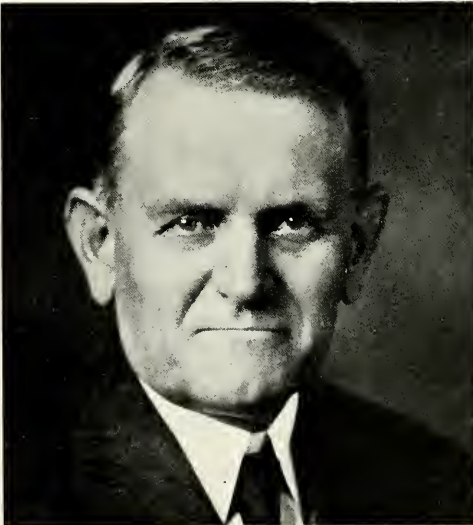

President of the Board of Directors is Hilton U. Brown, one of Butler University's oldest living alumni. A member of the Class of 1880, Mr. Brown's life-long interest in Butler has been instrumental in its growth and expansion, from a college to a university embodying six colleges.

EMSLEY W. JOHNSON

Emsley W. Johnson, vice-president of the Board of Directors is a prominent Indianapolis lawyer and a very active participant in civic affairs in the city and state. Also vice-president of the board of trustees of Arthur Jordan Conservatory of Music and of the Jordan Foundation, he is a member of the American and Indiana State Bar Associations.

KATHRYN BROMLEY

Kathryn Bromley serves in the capacity of secretary and treasurer of Butler University. A resident of Indianapolis, replaced John W. Atherton who died June 2, 1947.

ADMINISTRATION

DR. C. R. MAXAM

Dr. C. R. Maxam, Butler Registrar, is a man of many problems. His duties consist of serving as chairman of the Veteran's Council, evaluation military service credits, and serving as director of admissions, which entails the adjustment of the high school and college credits of all students. On top of these duties he finds time to serve as director of placement in which capacity he obtains part-time and full-time positions for Butler students.

ARTHUR R. KENDALL

Arthur S. Kendall handles the big jobs of Butler purchasing agent, accounting for bookstore and cafeteria, director of the post office, business manager of athletics, and financial advisor for the DRIFT. All of these are gathered together under the title of Bursar and take a lot of doing every day.

GEORGE A. SCHUMACHER

George A. Schumacher has been Butler Alumni Secretary since 1937. Through his efforts the active alumni membership has been greatly increased and organized into alumni clubs. Mr. Schumacher edits the Butler Alumnus, which carries alumni news, and is an assistant professor of English.

OFFICIALS

JOHN T. BARNETT

John T. Barnett is Butler's Public Relations Manager. The office of Public Relations functions as a news bureau for the university. It handles all the publicity that goes to the press, the radio, and all other publications in both academic and athletic matters. Mr. Barnett also serves as assistant to the president in the everyday routine of the university.

L. GRAY BURDIN

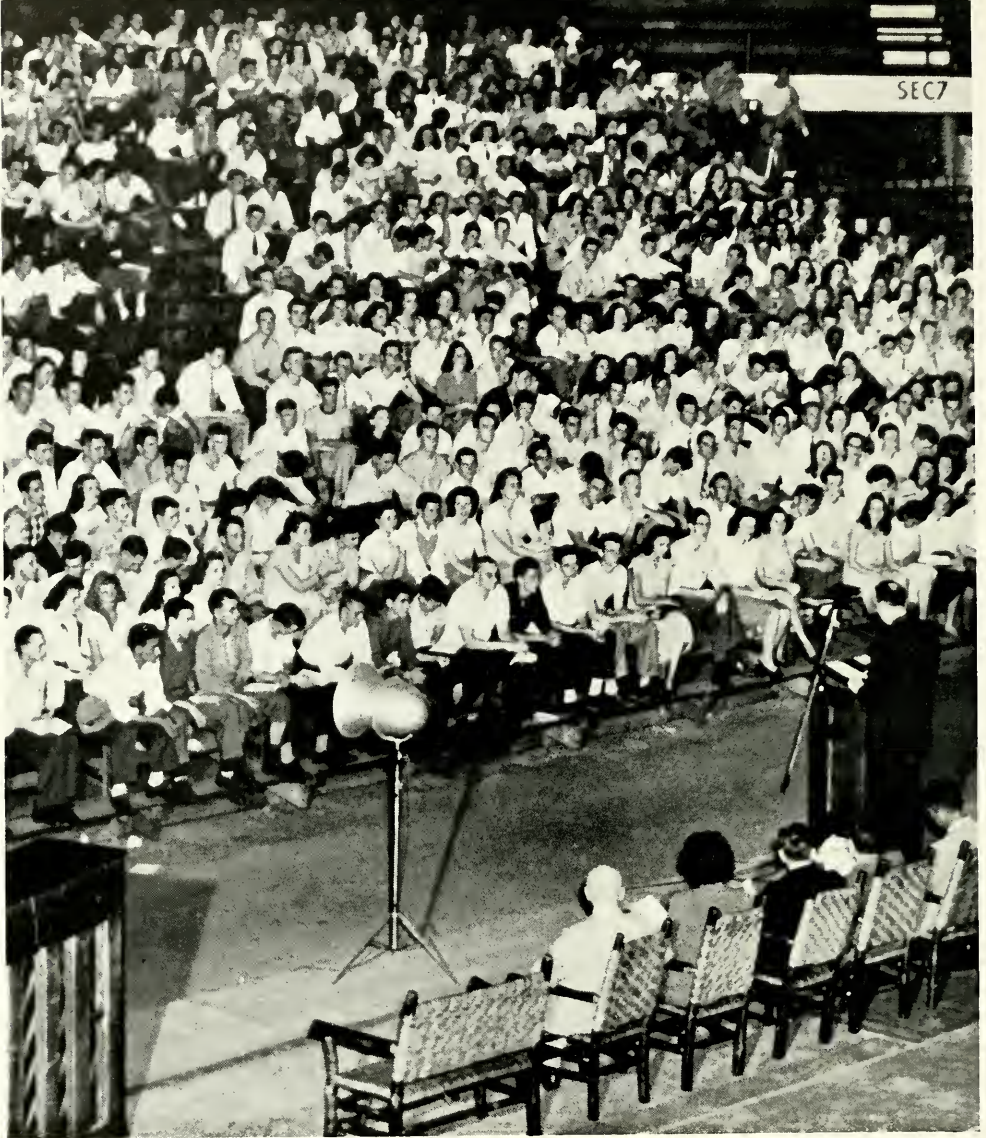

L. Gray Burdin, Dean of Men and director of employment, has the task of general supervision of the male life on campus. Outside of the many duties demanded by this office, Prof. Burdin serves in a teaching capacity on the Speech and Religion faculties.

DR. ELIZABETH B. WARD

Dr. Elizabeth B. Ward, Dean of Women, is in charge of the affairs of all the women students in Butler. This includes the regulation of all social function such as teas, dances, and exchange dinners. Cooperation with the Pan-Hellenic Council, Dean Ward plays an important part in the heavy Spring and Fall rushes given by sororities.

Butler's newest college is the University College. It was established in 1946. The University College proposes to mobilize the educational resources of the University as a whole in order to provide more effectively the common body of education needed by all students, no matter what their specific future educational, professional, or vocational goals may be. The primary concern will be to provide an educational program designed to meet the individual needs of the student.

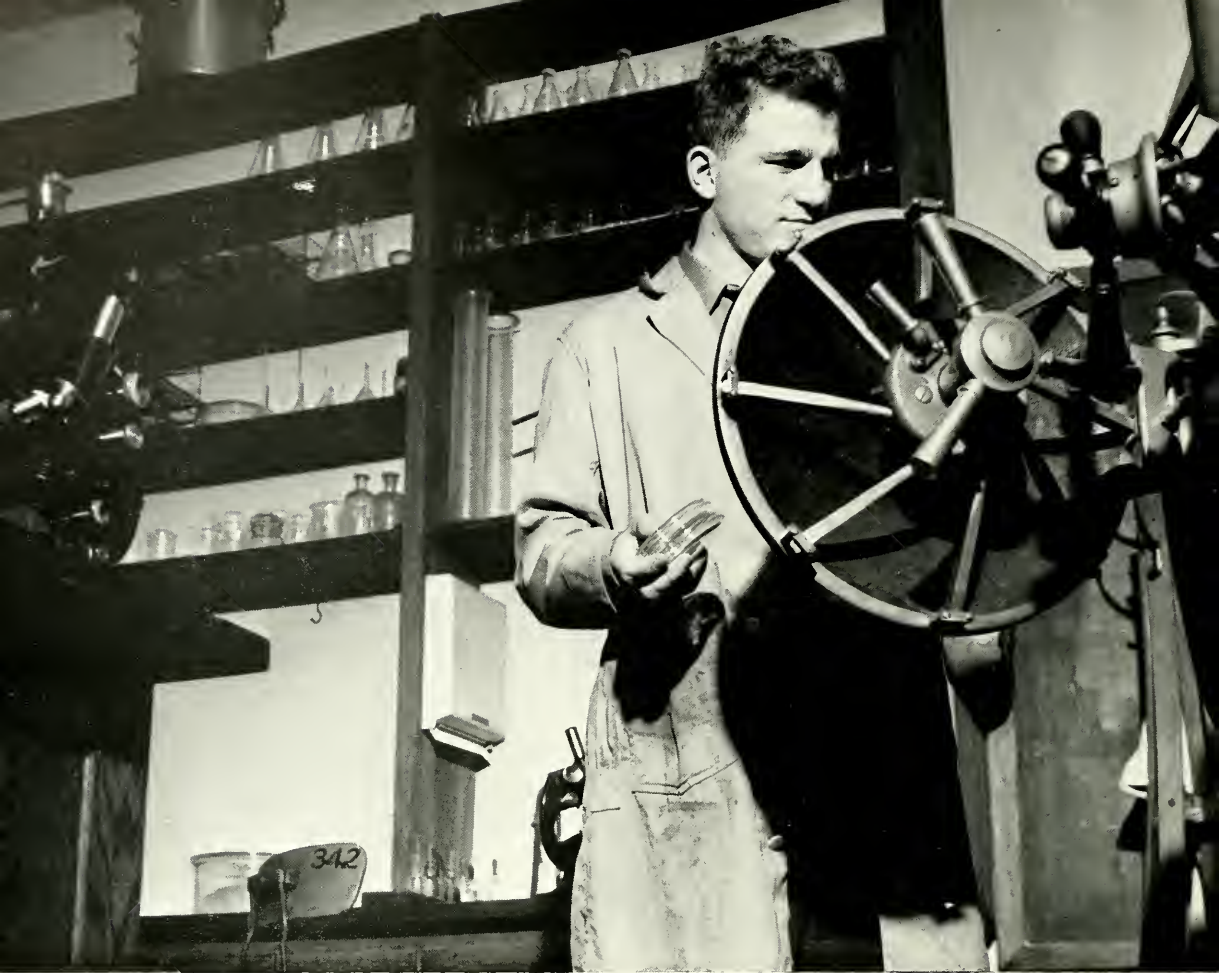

DEAN P. M. BAIL

Established in 1946, the University College provides the student with the opportunity to maintain a broad general education before he enters the more specialized subjects he will encounter in the senior colleges. The University College is composed of freshman and sophomore students who are working on prerequisites for admittance to senior colleges.

Dean Bail is the director of this college whose main objectives include student guidance and advising to aid the student in selecting the courses and program which will best enable him to meet his needs and equip himself for a position in life after graduation.

DR. W. L. HOWARD, Chairmen Faculty Advisors

The objectives of the College of Liberal Arts and Science are numerous. They strive to create in the student a responsiveness to human experience as expressed in the terms of language, literature and fine arts; to enable the individual to attain exact and systematic thinking; to achieve a broad and thorough knowledge of the world; to teach the student to evaluate human activity morally and ethically; and to offer the student the opportunities for specialization and creative effort.

Students in the College of Liberal Arts and Science may choose a major subject in any of the following fields: botany, chemistry, economics, English, French, German, Greek, history, home economics, journalism, Latin, mathematics, music, philosophy, physics, political science, psychology, religion, sociology, speech, Spanish and Zoology. Students in the college may also take pre-professional courses and a special curriculum for high school teachers is offered.

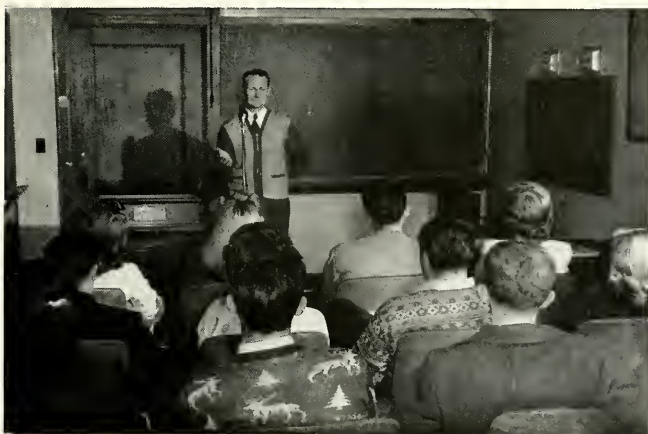

DEAN R. C. FRIESNER

COLLEGE OF LIBERAL ARTS AND SCIENCES

Dean Friesner assumed the responsibilities of the head of the College of Liberal Arts this year after the resignation of Dean Gino A. Ratti. Dean Ratti had been connected with the College of Liberal Arts since 1920.

Dean Friesner also holds the positions of Professor and Head of the Department of Botany. Dr. Friesner is a graduate of Ohio Wesleyan University and received his Ph. D. from the University of Michigan.

MINISTERIAL ASSOCIATION

The history of the Student Ministerial Association parallels that of the University in point of time. From a modest beginning as the "Sandwich Club" on the old Irvington campus, it has grown to its present effective status as one of the most active organizations of Butler. Membership is voluntary, consisting of students of the School of Religion and Department of Religion.

As stated in the constitution, the purposes of the association are: "the fostering of high ideals of life and work among students for the Christian ministry. The expression of these ideals in an increasing sense of comradeship in Christ, concern for the growth of the Church, and interest in the development of this school. The embodiment of these ideals in group projects."

In conjunction with Student Volunteers, Morning Devotions, a worship period for all students, meeting daily, Tuesday through Friday, has been maintained. Also, the Sunday worship service in Sweeney Chapel is a cooperative enterprise.

DEAN O. L. SHELTON

SCHOOL OF RELIGION

Butler is honored with one of the largest and best equipped ministerial training schools in the country.

The School of Religion was established in 1924, and moved to its graceful Georgian building in 1942. The building houses Sweeney Chapel, classroom, seminars, offices the theological library, including 30,000 volumes, the largest collection of Disciple literature.

A graduate institution and an accredited member of the American Association of Theological Schools, the primary purpose is to train candidates for the ministry and for allied forms of religious service. The curricula of the schools, also cultural in value, furnishes to students the knowledge and technique for productive work in the fields of pastoral, evangelistic, educational, missionary, ministry and in the vocations of social service. The school is also one of the supporting institutions of the American Schools of Oriental Research in Jerusalem and Baghdad.

Instruction in the College of Education is organized into seven departments: Elementary education (including kindergarten), secondary education, physical education, educational psychology, administration, history and philosophy, and supervised teaching. In affiliation with John Herron Art School and Arthur Jordan Conservatory of Music students are prepared to teach and supervise art and music both in elementary and high schools.

Students who expect to qualify for an Indiana teacher's license may complete the requirements for the certificate and at the same time complete the requirements for the bachelor of science degree with a major in elementary, secondary, or physical education.

DEAN P. M. BAIL

COLLEGE OF EDUCATION

The education of teachers, supervisors, and administrators for positions in kindergartens, elementary schools, and high schools is the major purpose of the College of Education. Under the direction of Dean P. M. Bail and his faculty the College of Education student is given a broad, general education, intensive work in the subjects to be taught, specialized training in professional courses, introducing the student to the problems of teaching, the program of supervised student teaching.

Keyed to the needs of students preparing for careers in the business world, courses are designed to equip them with the knowledge and understanding of the changing and developing character of economic society and the responsibilities that are laid for educated men and women in economic and journalistic activity.

A separate division of the college is the Department of Journalism. Dr. DeForrest O'Dell is in charge of this section.

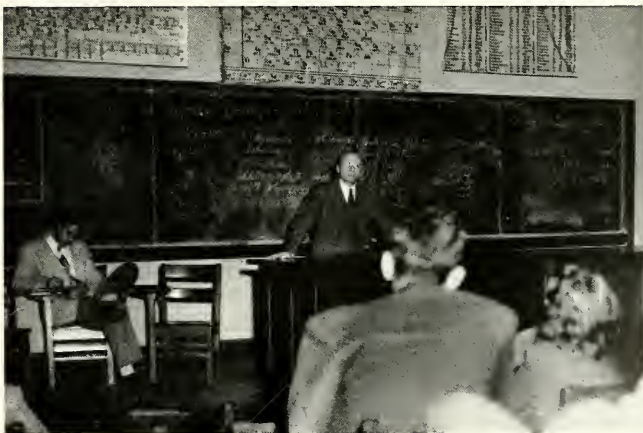

Work is offered in this college in the fields of general business, marketing, personnel management, purchasing, traffic management, credit management, accounting, and insurance. Under the guidance of Dr. R. I. Mehr, Butler University has become one of the major schools in the field of life insurance training. An annual scholarship is awarded by the American United Life Insurance Company of Indianapolis to a student of at least junior standing who is majoring in life insurance and interest and qualified to enter the marketing and service branch of the life insurance business.

M. G. BRIDENSTINE
Assistant Dean

COLLEGE OF BUSINESS ADMINISTRATION

The College of Business Administration established in 1937 is headed by Dean Maurice O. Ross, president of Butler and Assistant Dean Merwyn G. Bridenstine. Dr. Bridenstine is a professor of Economics and studied at the University of Iowa where he received his Ph. D.

One of the newest of the colleges at Butler is the College of Pharmacy, which was established in 1945, through a merger with the Indianapolis College of Pharmacy. At the earliest possible date, a new building will be erected on the campus to house the College of Pharmacy, which at present is located in its old quarters at 800 East Market Street.

DEAN EDWARD H. NILES

COLLEGE OF PHARMACY

Under the guidance of Dean Edward H. Niles, graduates are trained to operate drug stores, become hospital pharmacists, enter the wholesale drug field, pharmaceutical, chemical, biological and cosmetic industries, and to be analysts and inspectors for health boards and other governmental agencies.

It is the purpose of the Division of Evening Courses to offer citizens of the area who are not full time students, as well as regularly enrolled students, the opportunity to enroll in courses in which they have a special interest but are not able to attend day classes because of employment.

Not only does this division offer convenient meeting times for students who might not otherwise be able to meet the required credits, but it also offers refresher courses for teachers who wish to re-enter the teaching profession.

DR. GEORGE F. LEONARD

DIVISION OF EVENING COURSES

Established in 1930 as an outgrowth of a series of evening courses started in 1899, the Division of Evening Courses, under the guidance of Prof. George F. Leonard, continues to play an important part in the University's educational program.

Affiliated with Butler University, Jordan Conservatory offers both the baccalaureate and master degrees. Jordan is accredited by the National Association of Schools of Music.

The Conservatory has standard accreditation by the Indiana State Department of Public Instruction. Jordan makes available to Butler students opportunities for study in music education, band and orchestral instruments, voice, drama, radio, speech, and dance.

One of the most popular fields of instruction offered at the Conservatory is that of radio. This course annually draws students from all over the state.

The Kite Makers

With the goal of training students capable of professional practice, John Herron Art Institute offers training in four professional fields of art. Staffed with a faculty of practicing artists, the art school offers courses in painting, sculpture, commercial art and teachers' training.

Annually faculty members and students enter art specimens in various exhibitions throughout the country. Just as regularly, these entrances succeed in capturing top honors at these exhibitions.

JOHN HERRON ART INSTITUTE

The Herron Art School is affiliated with Butler University through its teachers' training courses. There exists a mutual exchange of students sharing in an affiliation of the two schools.

Since the Herron School is a professional one, its students specialize in the arts of sculpture, painting, commercial art, and teachers' training courses.

The members of the Art School's teaching staff are practicing artists, and the school building is unequalled among art schools for its beauty and suitability to art school work. Graduates of the Herron Art School have won such outstanding prizes as the Prix de Rome and the Paris Chaloner Fellowship, and are to be found in outstanding positions throughout the state and nation.

Juniors

The Junior Class of '49 held a spirited election in the fall of the year in which all caucuses were represented. Officers were: Sargent Hunt, president, ISA; Bill Pace, vice-president, ISA; Don Smiley, prom chairman, Phi Delt; Lloyd Olcott, treasurer, Sigma Nu and Secretary Pat Pointer, Alpha Chi.

Close working harmony was immediately established when Don Smiley and Sargent Hunt began to make plans for the Junior Prom, and to make it the largest dance in Butler history. The dance was held in early summer and had the largest attendance of any previous school dance.

The Drift, under the editorship of Anna Harshman, Kappa Alpha Theta, was the largest project of the Junior class.

Sophomores

Sophomore elections were held in November, and the following class officers were elected: John J. Miller, president; Delores Dugall, vice-president; Patty Welch, secretary; and Jud Haggerty, treasurer.

For the first time in Butler history, Sophomore students elected unorganized students to class office. With the exception of Miss Dugall, Alpha Chi Omega, the remaining officers were sponsored by the Independent Students Association.

Led by Paul Pavey, Phi Delta Theta, the Sophomores decisively defeated the Freshmen in the annual Sophomore-Freshman fight.

The Sophomore Cotillion, annual Sophomore Hop, was held on April 2nd, at the Indiana Roof with Barney Rupp's Orchestra providing the music.

STUDENT COUNCIL

Student Government not directly supervised by the administration and faculty is under the jurisdiction of the Student Council. All class and queenship elections are conducted by the Council along with the regulation of all campus organizations except social fraternities and sororities. Student representatives on certain faculty committees are nominated by the Council. Parking regulations were set up by the Council.

The Council consists of 14 members elected by the classes which they represent; six seniors, five juniors, and three sophomores. The two sophomores receiving the most votes fill two-year terms as do the three members who are elected juniors. The other sophomore and the three elected seniors serve for one year only.

The president of the Council is also the president of the student body. Betty Swann served as president this year. Scott Christie served as secretary, and John Scales as chairman of the elections committee. Other members were Maxine Brock, Linn Hudson, Betty Jo Morrison, Audrey Napp, Rebecca Taggart, Robert Terrican, Patricia Bond, John Hangsgen, Rosemary Ronshiem, Norma Brown, John Ellis, and David Hamp. Professor Virginia Brunson and Dr. A. Dale Beeler served as faculty advisers of the Student Council.

A. W. S.

The Association of Women Students at Butler is a part of the national A. W. S., an organization for all college girls.

This year a scholarship cup was presented on Honor Day. An automatic penalty for violation of residence requirements was installed by the Judiciary Council, A. W. S. governing body. The A. W. S. booklet is being revised to serve as a handbook.

Freshmen were introduced to the organizations on campus at a Fall tea. Gilbert Forbes spoke at the December meeting. There were two Spring meetings one of which was a style show.

Leading the association activities were Betty Keough, president; Henrietta Rohde, secretary; and Mildred Marshall, treasurer. Sponsors were Mrs. Margaret T. Fisher and Elizabeth B. Ward.

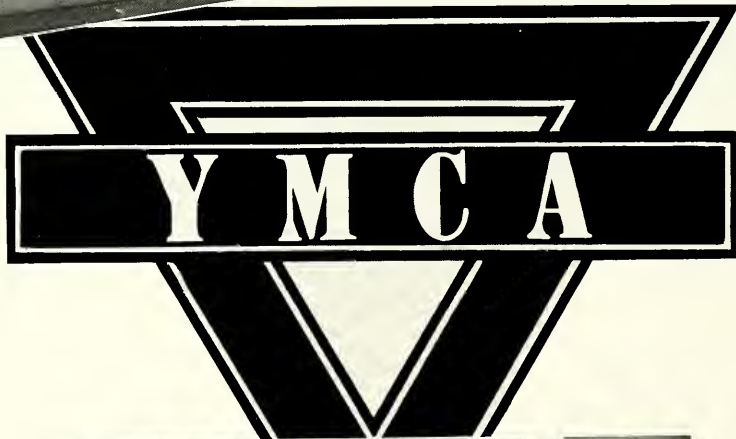

Y. M. C. A.

The Butler Y. M. C. A. with a membership of 585 the largest in history, has again taken a leading place in the 1947-48 school year.

Among the activities undertaken by the Y. M. C. A. co-sponsored by the Y. W. C. A. were the WSSF campaign and the "coke Forums."

Other activities of the organization included co-sponsoring with the Y. W. C. A. the Geneva Stunts, the Summer Shuffle, and the Freshman Mixer. The Freshman Camp was again held in September for fifty boys entering Butler in the fall term. Publications issued by the Y were the Student Directory and the Rhinie Guide.

Great contributions were again made by J. Henry Miller, North District Branch Executive Secretary of the Indianapolis Y. M. C. A.

Officers for the year were: Byron Fry, president; Lloyd Olcott and Harry Sullivan, vice-presidents; Jack Boston, secretary; and Tom Bemis, treasurer. Cabinet members: Brooks Walters, publicity and publications; William Edwards, world affairs; William Osborne, freshman camp; Mark Henderson, freshman mixer; and Burdette Bisselburg, personnel chairman.

Y. W. C. A.

The Y. W. C. A. opened the school year by sponsoring, with the Y. M. C. A., a Freshman Mixer in the fieldhouse. The "Y. W." also worked with the "Y. M." in publishing the Rhinie Guide. Again the two "Y's" were co-sponsors of a forum featuring Dr. Clarence Efroymsen speaking on "Palestine." Alone, this time, the "Y. W." carried out its annual carolling and wreath-hanging ceremony in the halls of Butler during the Christmas season. The two "Y's" sponsored the World Student Service Fund Drive in February to raise funds for world students relief. In March Geneva Stunts were held to raise money to send "Y" delegates to the Geneva Conference in June. Late Spring found the "Y. W." once again sponsoring the annual Spring Sing and winding up the year by honoring the senior cabinet members at a luncheon.

Officers for the year were Audrey Knapp, president; Pat Bond, vice-president; Jane Haddath, secretary; Carol Fliegenschmidt; Mildred Marshall, program chairman.

The cabinet members were Betty Gaddis, Jackie Smith, Alice Robertson, Jeannette Cassady, Joanna Jennings, Dorothy Young, Rebecca Taggart, Marge Lanahan; Rosie Crabb, Phyllis Maish, Suzanne Pierson, Pat Welch, Rosemary Ronsheim.

Miss Mary S. Owen was faculty sponsor for the year.

AMERICAN RED CROSS

The College Unit of the American Red Cross functioned for the second year on the Butler Campus. Its purpose is to aid in fulfilling the needs of the university and to aid the local chapter in serving the community.

The unit sponsored programs and entertainment bi-monthly at Billings General Hospital. In the spring the representatives aided in the collection of the national membership campaign.

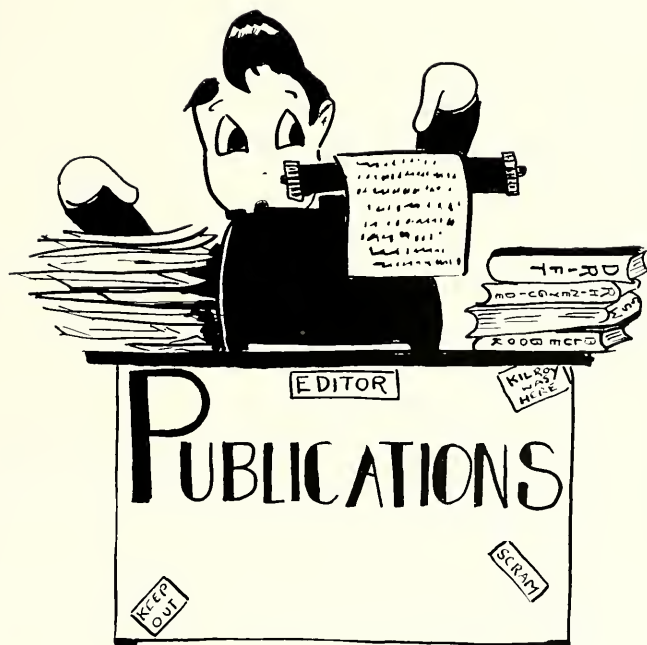

Officers for the year were, Anna Harshman, chairman; Margaret Rennoe, vice-chairman; Joan Sheppherd, secretary and Dean Elizabeth Ward, sponsor.

ALPHA PHI OMEGA

Alpha Phi Omega is a national service honorary founded upon the principle of service to the school, the community and the nation and the fraternal principles of the Boy Scouts of America.

Alpha Tau chapter has this year helped with the Cincinnati train trips, the March of Dimes, the Easter Seal campaigns, and have ushered for most of the main all-school convocations.

The officers for this year are: Alfred D. Gates, president; Daniel Oreweller, secretary; and Orin Bartle, treasurer. Dr. Elliot and Mr. Reimer are the faculty advisors, and Mr. H. T. Vitz is the Scouting advisor.

THE BUTLER

The Butler Collegian, Fairview's four-mornings-a-week daily, stormed through another year during 1947-48, and as usual came out with no one seriously injured.

In other words, it was just another typical year for the Collegian: the staff took things too seriously, the readers generally ignored the staff, and the faculty alternately blessed and damned the paper and all concerned with it.

Only the fact that the paper continued to be favorite class-time reading material made the year brighter for Editors Bill Tobin and Brooks (Bucky) Walters. Tobin was around as head of staff for the first semester, and Walters came in to try his luck as editor-in-chief during the last term.

During the first half of the school year, the paper began printing cross-word puzzles, sponsored a special train to the Cincinnati football game, and again held its annual Cheer Drive for Indianapolis' needy. The puzzles proved great favorites of students and a pain in the neck to professors; the Cincy train was an all-around good trip except the inside lights were kept on all the way home, and the Cheer Drive was a tremendous success, with the Independent Student Association walking off with top honors and a gold cup.

The second semester was highlighted by reports of the Freshman, Sophomore and Junior Queenships, the conclusion of the basketball season and support of the Bulldog spring sports card. Walters' staff also was host to high school students from over the state at the annual Journalism Field Day.

Joy Mudd served as managing editor for the first semester, working with a staff including Don Rider as editorial director, Rex Van Trees as business manager, Walters and Dick Agnew as city editors, and Ed Irwin as sports editor.

Georgia Gianakos replaced Joy as managing editor for the second term, and Agnew was promoted to associate editor. Keith Haymond, cross-word puzzle creator, became editorial director, and Bob Collins served as sports editor. Bill Larkworthy became a city editor, sharing that position with Jack Averitt, Bill Pace and Bill Roberts. Assistant city editors were Royce Stokes, Rosemary Ronsheim, Dale Hall, and Bob Darmer. Burdett Bissleberg was appointed feature editor and Molly O'Dell was made women's editor. The business staff remained unchanged.

Mrs. Naomi Whitesell was in charge of the copy desk and Everett Miller remained as king of the mechanical end.

1948

The first week of September the DRIFT started rolling into action. Orrin Bartle issued contracts to honoraries, clubs and other organizations for page space, while Thomas Wadelton was snapping pictures for the informal, sport, administrative, and feature sections of the book. Liang Shen (Courtney Studios) took the individual portraits during October and November. Jack Fultz was in charge of the Beauty Contest, which is a traditional DRIFT project. Group and activity pictures were completed in December by Thomas Wadelton, assisted by Jim Conners and Walter Hicks. Phyllis Stultz, layout editor, was assisted by Shirley Klinge, Suzanne Johnson, and Keith Bratton in preparing pictures for the engraver. Molly O'Dell, Jane Hodges, Joan LeBain, Dave Hamp, Joycilee Peirson, Byron Fry, and Bea Kirschner organized and assisted the copy for the book. Finally through the cooperation and hard work of the staff, the book was printed and circulated in June.

DRIFT

The staff for the 1948 DRIFT was appointed at the close of the school year in June of 1947. Plans were formulated by Anna Harshman, editor, and Farroll Speake, associate editor, throughout the summer. By September, after the dummy was completed, the staff fell into the stride of continuous work and did not emerge from their duties until the cover, engravings, and copy were completed for the printer's presses.

PANHHELLENIC COUNCIL

The Panhellenic Council, composed of the president and rush chairman of each sorority on the campus, stands for unity and co-operation among the Greek-letter organizations. Although the council enforces the rules and regulations which govern the sororities, rush is the main problem with which it is concerned. During the summer, formal rush is planned and a rush booklet is prepared.

On September 10, 1947, the Panhellenic Council sponsored a Panhellenic Dinner at the Murat Temple for sorority members, new pledges, alumnae, and housemothers of the seven Greek-letter sororities. Officers were Bob Coyner, president; Jack Davis, vice-president; Jane Waggle, secretary; James Mills, treasurer.

ICHTHUS

The Department of Religion in the College of Liberal Arts is for the purpose of instructing and preparing students for work in the religious field. Also, the department serves to broaden the understanding of the Bible and deepen the interest of students other than those intending to major in religion.

Closely connected with the undergraduate department is the School of Religion, which is the graduate school on the campus. The undergraduate students are encouraged to participate in graduate activities such as chapel services, Student Volunteers, and the Ministerial Association. The students of both schools are bound together by the common purpose of Christian service and fellowship.

The undergraduate club of the department is Ichthus, established to help those who are committed to Christian service, and those who are religiously minded. The club, which meets bi-monthly, is open to all undergraduate students. The program is varied, but it has its central theme in Christian living.

The officers for the first semester were Lloyd Tatlock, president; Lester Ringham, vice-president; Betty Harper, secretary; and Barbara Williams, treasurer. Dr. E. R. Andry, head of the department, is the faculty advisor.

INDEPENDENT STUDENT ASSOCIATION

R. HAROLD VAN CLEAVE

Early in the fall of 1947, a group of unorganized students met to discuss the need for coordinated activity among students who were independent of the organized social fraternities and sororities. From this early meeting, the Independent Students Association of Butler University grew to its present status in campus affairs.

The purpose of the I. S. A. is clearly stated in the Constitution, "to further the interests of the unorganized students of Butler University and to do our part in aiding the University as a whole."

Charter officers of the I. S. A. were elected in October and included: Rex Van Trees, president; Jud Haggerty, vice-president; Ann Jensen, secretary; and Ruth Gosey, treasurer.

The I. S. A. was active in all school affairs during the year and, with the support of the unorganized students of Butler, backed several successful independent candidates in school elections. Independent candidate Elizabeth Iovine won the coveted Homecoming Queenship and Georgia Gianakos was selected as one of the five Drift Beauty Queens.

Sarge Hunt was elected president of the Junior class and Bill Pace won the vice-presidency of that class. In the Sophomore class elections, John Miller was elected president; Patty Welch, secretary, and Jud Haggerty, treasurer.

The I. S. A. piled up an overwhelming majority of points in the Butler Collegian sponsored Christmas Cheer Fund drive and was awarded the gold cup offered for that charitable enterprise.

BUTLER'S MUSIC MAKERS

BUTLER UNIVERSITY BAND

The Butler Band under the direction of Charles A. Henzie, has again come through with flying colors in providing a well-rounded musical program for the University.

During the year, the band represented Butler on numerous occasions. Sporting smart new blue uniforms, the band appeared at the first football game and continued throughout the rest of the season to stimulate interest and school spirit with unusual formations and novel musical numbers. The band journeyed to Wabash College and also accompanied the football team to Cincinnati for the game there.

The numerous other activities of the band were giving intermission music and half-time routines at the home basketball games, marching in the Homecoming parade and playing for Founder's Day, Honor Day, Baccalaureate and Commencement exercises.

The policy of using "swinging yells" received an even more enthusiastic response than in the past, and the presentation of drill formations at the basketball games by the high stepping majorettes and color guard under the leadership of the band drum major, Hal Wilkins was heartily appreciated.

Front Row: Cosler, Steinbach, Hanley.

Back Row: Schreiber, Kyser, Forbes, Stultz, Wilkins, Brouder, Keller, Kutter, Smith.

DRUM MAJORETTES—COLOR GUARD

The Butler Color Guard presented a colorful accompaniment to the band during the year. Clad in traditional blue jackets and white skirts, the girls marched with the band in each of its appearances.

Members of the group are chosen on the basis of appearance, scholarship, and ability to execute marching drills. During the year the girls must maintain a school determined grade average to continue in the color guard.

The color guard made its first appearance at the opening football game. Football fans saw the girls execute baton twirling and marching formations at the half-time of each home game. They made their first presentation away from home with the band at Wabash.

During basketball season, formations were made before the games with the presentation of the colors, and unusual drill formations were executed during the half-time period.

Color guard members learned these formations and marching routines along with the band during their daily rehearsals.

PHILHARMONIC CHOIR

The Butler-Jordan Philharmonic Choir directed by Mr. Joseph Lautner has seen active service this past school year giving on the average of two concerts a week. Members of the choir are selected from Butler University and Arthur Jordan Conservatory of Music and are required to rehearse at least eight hours per week. Philharmonic has been a noted choir of the midwest ever since its organization in 1940. The choir's members drawn by the spirit of the Philharmonic give themselves in unswerving loyalty to the building of a successful choir and to the presentation of meaningful music.

BUTLER CHEER LEADERS

Perhaps some of the unsung heroes of the year round sports are those lads and lasses of our cheer leader team. For a group, these vivacious school supporters should be given more credit. You can always find them in the midst of the action rooting, shouting and giving the team the moral boost that promotes the way to a Bulldog victory. Keen eyes watching—they are right in there with a touchdown or field goal yell. Yes, it is time to have a cheer given in their honor as we salute the "spark plugs" of our Butler spirit. May these leaders and those to follow keep the victory spirit on the football gridiron or basketball court at its ringing peak.

Reminiscently yours...

ATHLETIC DIRECTOR PAUL D. HINKLE

Every now and then a coach will drop in on a particular institution, look around, and decide that he likes the place so darn well that he just takes off his hat and coat and stays around awhile.

Paul D. (Tony) Hinkle dropped in on Butler 27 years ago. In the years that have followed neither he nor the university have had occasion to regret the decision. "Hink" has become as much a part of Butler as the after class coke session.

Arriving in 1921, when the school was still situated in Irvington, Hinkle has done more than any other man to bring Butler athletics to a position of prominence in the mid-west.

1947 BUTLER FOOTBALL

In better circles it would be considered bad taste to rationalize a preceding season by frankly stating, "We got a raw deal." But after looking over the 1947 Butler grid record of five victories, three losses and one tie, an observer cannot help but think that our Bulldogs got just that.

Fighting hard to overcome the many obstacles that were hurled at them, the Bluemen defeated St. Joseph, Wabash, DePauw, Western Michigan and Valparaiso. They fell before Ohio, Western Reserve and Cincinnati

and marked off a 6-6 deadlock with Ball State.

The first blow came a few days before the opening game of the season. Then, the stalwart old patriachs who guide the I. C. C.'s reeling grid destinies, ruled against the eligibility of seven varsity men who had transferred here from other institutions. These men had been practicing with the team since the month before the season opened, but evidently I. C. C. didn't find its rule book until the eve of B. U.'s first grid encounter.

Despite these near heartbreaking setbacks, the Bulldogs were out to prove that they were able to step with the small midwestern powerhouses. There is little doubt that they achieved their goal. The injury and ruling riddled Fairview's lost three of their four Mid-American loop engagements—but—all three of those defeats were by one touchdown margins. And all three were such hardfought evenly matched games that even the most partisan observer will admit that the score could have easily gone the other way in either or all. Another sad note of the late grid year was the abandonment of the age old Butler-DePauw football rivalry.

This, the second oldest gridiron renewal in the state, was concluded because the venerable and clean fighting Tiger just couldn't keep up with Mr. Bull anymore.

Individually the Buttermen did well. Fleet halfback Orville Williams garnered a berth on the Little All-American team. Center Captain Ott Hurrell was named to the Indianapolis Star's "Big All-State" squad. Captain-elect Francis (Moe) Moriarty, keeping intact his record of never losing a yard while wearing a Butler uniform, Bill Kuntz, Les Esarey, Knute Dobkins, Kenny Smock, Dick Bennett and Ray McSemek were all named to state honorary teams.

1947 FOOTBALL

BUTLER 6—BALL STATE 6

Forced to change their lineup as well as their battle plans on the eve of the game due to the sudden appearance of the I. C. C. transfer ruling, the down-hearted Bulldogs fought doggedly to gain a standoff with the Cardinals.

OHIO 14—BUTLER 7

That first trip into the Mid-American grid realm ended in disaster. After leading for three periods, Butler tried vainly to stem the Bobcats. Led by the brilliant King Brady, the men of Athens pushed over two markers in the final period to sew it up. Workhorse "Moe" Moriarty scored Butler's lone six pointer before being forced from the game by injuries.

BUTLER 21—ST. JOSEPH 0

It was Butler all the way. The Bulldog machinery, jarred loose by the transfer ruling, was definitely back in working order as the Hinklemen rode easily over the hapless Puma's. Williams, Weidekamp and Bennett tallied one score apiece and Ray McSemek add three one pointers.

BUTLER 14—WABASH 0

This was the one the boys wanted most. The old rivals battled furiously on the Crawfordsville grounds, as Butler power added up to a two touchdown victory.

OTTO HURRE
Captain 1947

1947 FOOTBALL

WESTERN RESERVE 6—BUTLER 0

As one Indianapolis paper put it, "Western Reserve eked out a win over Francis Moriarty." Butler's great line crasher gained more yards than the combined efforts of the Western Reserve team could muster but his teammates couldn't get going. The Irishman gained better than 250 yards.

BUTLER 27—VALPARAISO 6

Like their medieval namesakes, the Crusaders were unable to dislodge their adversaries on unfamiliar ground. And further prove that Butler had outgrown the antedated I. C. C. was entered into the books.

CINCINNATI 25—BUTLER 19

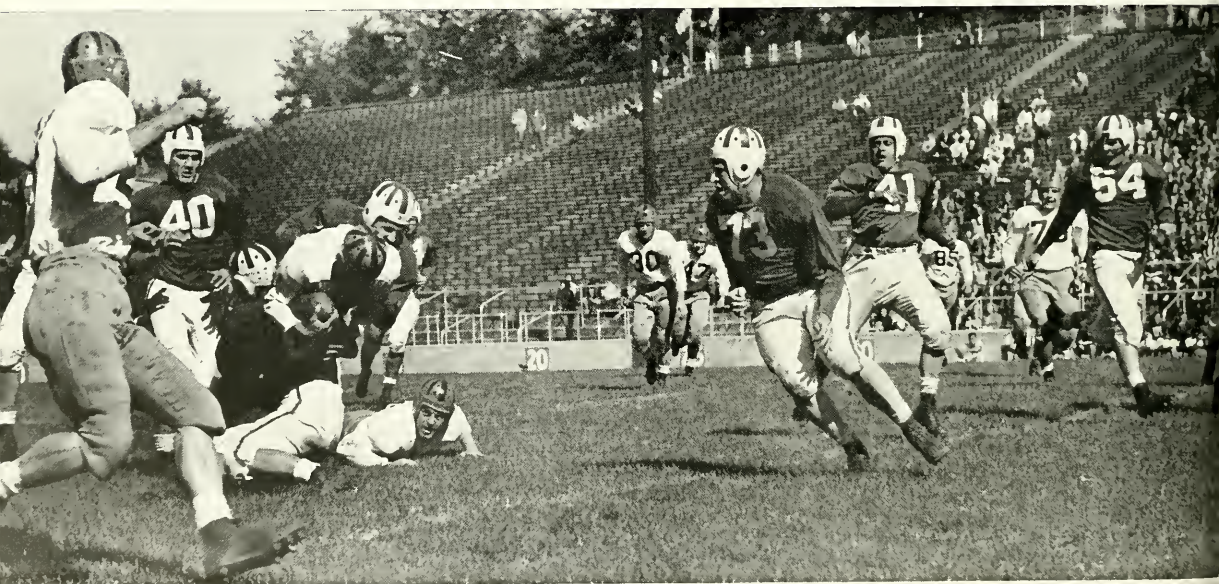

For a moment it looked as if Butler might turn the tide. Behind 12 to 0 at the half, the Bulldogs fought back to tie the score in the third period. Then they watched the Bearcats sew it up again. Kenny Smock, Dave Peterson and Moriarty did the Butler scoring.

BUTLER 21—WESTERN MICHIGAN 20

Nobody left early on this one. Battling uphill all the way, the Bluemen came from behind three times and then watched with their hearts in their throats as a last second Bronco field goal attempt went wide of the mark. Orville Williams and Dick Bennett were the fair haired boys of the Bulldog attack as they teamed up to fashion all three scores, but it was Ray McSemek who rung the curtain by virtue of his three extra points.

BUTLER 35—DEPAUW 0

Butler backs crossed the double strips in an almost endless procession as the Tiger and the Bulldog wrote "30" to an old and popular gridiron rivalry. Jim Rosentihl (twice), Orville Williams, Tom Sleet and Ralph Fulk did the scoring honors. "Automatic" McSemek threw in five conversions.

Herb Schwomeyer graduated from Butler in 1942 and has been in fairly close contact with his "ole alma mammy" ever since. After serving as football and track coach at Carmel and Warren Central high schools respectively, "Schwo" came back home in 1945 to serve as the jack-of-all trades of the athletic staff.

Schwomeyer is director of intramural athletics, assistant football coach and freshman basketball mentor.

Tony Hinkle's assistant basketball coach is a fellow who should know a wee bit about the game. He's Bob Dietz, holder of the university three year scoring record and an all time Butler hardwood great.

A 1941 graduate, Dietz spends his spare time playing professional basketball with the Indianapolis Kautskys.

Football assistant, Chet McNerney, came to Butler by way of Indiana University. McNerney graduated from the Bloomington institution in 1939 and received his M. S. degree there in 1946. In addition to his coaching duties he serves as instructor in the college of education.

John Rabold and Jim Hauss are the two men responsible for Butler's hard charging line. They're well qualified for the job. Both are former Bulldog line greats.

Rabold was 240-lb. all-state tackle in 1939. While in service he was named to the A. P. all-southwest service eleven. At that time he was player coach at Hondo Army Air Field.

Hauss, who also fills in as varsity golf instructor, won quite a name for himself as a Bulldog tackle in 1937, '38 and '39. He formerly served as line coach at the University of Iowa.

1947-48 BASKETBALL

BUTLER 78, ALUMNI 49

This annual get-to-gether was held November 5, and quite obviously had its annual result. Jerry Cranny led the varsity waltz by counting 12 pointers. However, Woody Norris proved to be one old timer who hadn't forgotten the size of the hoop by dunking 23 markers for the evening's high honors.

NORTHWESTERN 53, BUTLER 52

Butler copped just about every statistical advantage except the all important one that follows the words Final Score. Out-scoring the Wildcats from the field, 20 to 19, the Bulldogs were forced to watch the season's first scheduled game go through the hoop while helplessly standing by the foul line. The Hinklemen held a 31-to-24 halftime advantage in the December 6 tilt at Chicago.

WISCONSIN 61, BUTLER 53

Superior Badger height paid off in points as the defending Big Nine champs capitalized on 35 Butler fouls to ride under the wire, December 8, at Madison, Wisconsin. Four Bulldog first stringers went for a drink of water during the second stanza. Ralph (Buckshot) O'Brien managed to stay around long enough to drop 21 points and thus become high point man for the evening.

BUTLER 67, ST. JOSEPH 49

"Be it ever so humble . . ." There's nothing stately about the spacious confines of the Butler Fieldhouse, but it serves well as a Bulldog basket castle. The home opener December 13, was a complete success. The Pumas were never in the ball game as Butler reserves had ample opportunity to polish up their game. Gentleman Jim Doyle was top point getter with an aggregate of 18.

BUTLER 52, CANTERBURY 30

Emily Post could have given a long dissertation about the ungentlemanly way the host Bulldogs treated the Bishops on December 20, but Fairview fans found a certain satisfaction in their team's manner of dropping the book. Thirteen points totaled high, and "Big Jawn" Barrowcliff had just that many.

THE HOOSIER

BUTLER 52

BUTLER 64

A few days before the Classic, Hinkle stated that he had tried for nearly 20 years to get the state's Big Four of basketball inside the Fieldhouse on the same evening. Any rabid Butler fan will tell you that the ensuing games were well worth the wait.

The nights of January 1 and 2 probably will go down in history as two of the biggest in Butler history. A definite underdog when hostilities began, Butler rode out of the two day session as the only team able to win two games.

Purdue fell first in a red hot contest that followed virtually the same pattern as the overtime session the Boilmakers dropped to the Bulldogs the previous season. Some 15,000 followers of the noble art of hoopla were on their feet and in a state of near hysteria as a gangling Purdue quintet put on a final minute spurt that came far too close for comfort. O'Brien showed the way for both teams with 18 ducats.

January 2 was the day of a topsy-turvy affair that started all Indiana and ended in a Butler rout. For the first few minutes it looked as if the "Merry Macs" were going to run right off and leave Butler groping for air. However, once the Bulldogs found

CLASSIC

PURDUE 50 INDIANA 51

their amazing out-on-the-floor shooting eye, Butler began to pull away. Doyle's 17 counters were good for high honors. Fireman Charlie Maas followed with a 16 total. In the other two games, Indiana outran Notre Dame, 72 to 46, and the Irish in turn dropped Purdue, 42 to 40.

NOTRE DAME 71, BUTLER 47

The fifty some Butler fans who hazarded the icy roads to South Bend on January 7 could talk only of the most amazing exhibition of basket shooting they had ever witnessed. The Irish, always red hot on their home floor, were completely out of this world as the varsity hit better than 70 per cent of its shots. Butler played hard and well, but no team can stand up long against such as that. O'Brien once again was high for Butler. He had 13 points.

BUTLER 62, WABASH 38

Hard luck Jerry Cranny, the guy who seemed to be standing around when all the bad breaks came, managed to break the "Double Whammy" for one night on January 10. In so doing, he led the Bulldogs with 13 points. Butler's home floor invincibility was proven once again as it was Butler all the way.

BUTLER 67, DePAUW 42

January 13 was D-Day for the Bulldogs in more ways than one. After the 1947 tilt at Greencastle—won by DePauw—the Tiger press made some very caustic remarks concerning the abilities of certain Butler players. Of these, Buckshot O'Brien received the most abuse. So the diminutive forward helped himself to exactly 20 points as his teammates played the defending I. C. C. champs right into the boards.

BUTLER 61, VALPARAISO 45

Back home on January 24 and still an ungracious host, Butler pummelled the Crusaders for their sixth home floor victory of the season. O'Brien and Barrowcliff contributed most to the evening's scoring. They counted 17 points apiece.

BUTLER 57, OHIO STATE 47

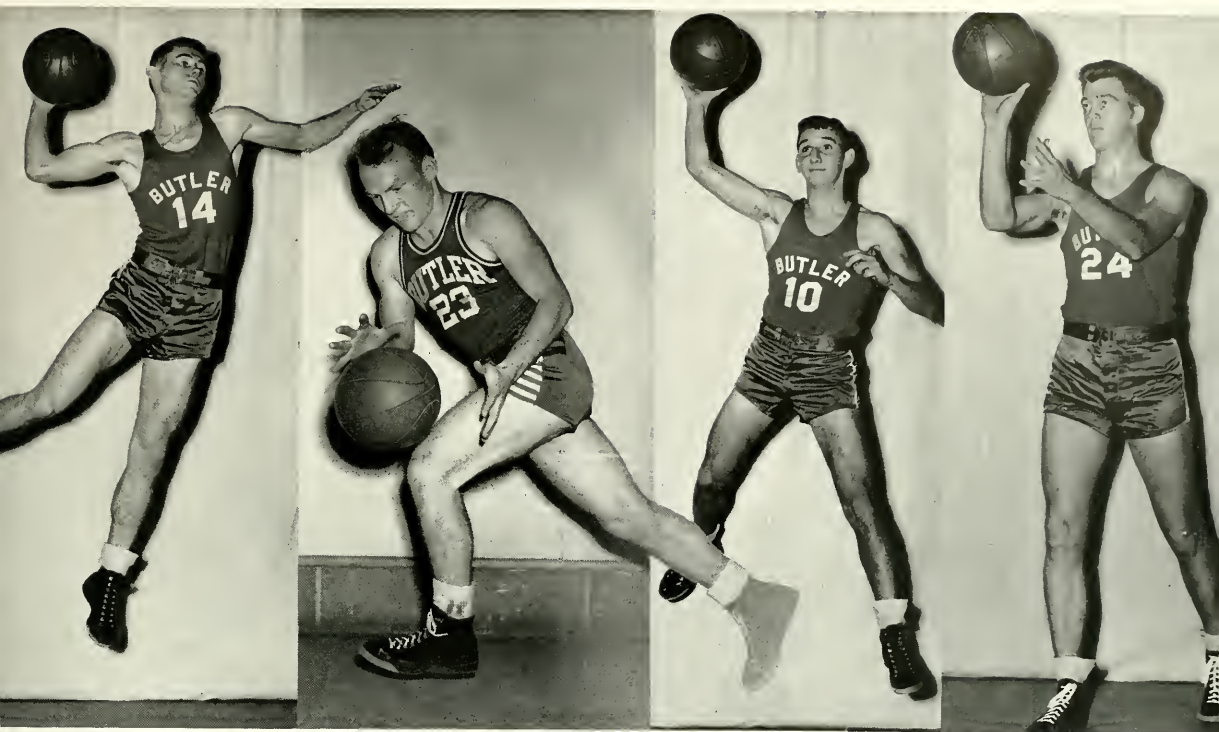

The Bulldogs found the Columbus goalry to their liking on January 26. After building up a 33-to-20 halftime lead, the Hinklemen coasted in for victory number eight. O'Brien counted 16 and Doyle added 15 more to the Bulldog cause.

CINCINNATI 72, BUTLER 53

The defending Mid-American Conference co-champions met in the first of their two scheduled battles on January 27 and the cramped Queen City court proved to be too close for the Bulldogs. Richter, of Cincinnati, made a cold Butler night even more miserable by firing 29 points through the meshes.

BUTLER 59, OHIO 35

Just two people in the Butler Fieldhouse on the last day of January knew that as Charlie Maas tossed in four baskets before the fans had hardly settled in their seats, the great set shot artist was giving his all for Butler's honor and reputation. One was Maas himself; the other was Coach Tony Hinkle.

DOYLE

WOODS

O'BRIEN

BARROWCLIFF

CINCINNATI 58, BUTLER 56

The biggest noise in the Fieldhouse St. Valentine's day wasn't in the least bit retroactive to the 4,000 some extremely partisan spectators, it was merely the referee's whistle. Fifty-three fouls were called as the two mid-American first place claimants—shaping up what looks like the nucleus of a red hot rivalry—battled right into the final seconds. Trailing all the way the Bulldogs finally caught up in the final 18 seconds as Jerry Cranny slipped under to knot the score at 56 all. But Charlie Clickner picked the remaining few seconds to pot his only field goal of the evening and thus assure the Bearcats of undisputed possession of the top rung.

BUTLER 59, OHIO UNIVERSITY 35

Shortly before the game (it was later revealed), Maas received a telephone call from an unidentified New York gambler who offered him \$500 to see that Butler won by less than nine points. The enraged player answered with an emphatic "No." Maas then went onto the floor to see personally that Ohio didn't get close.

After Maas' opening minute flurry, the disheartened

Athenians just couldn't get started and never were able to make the game close. Charlie's rebounding kept Ohio from getting the ball off its own backboard one time during the entire first half.

NOTRE DAME 53, BUTLER 52

Perhaps more than even the new Pontiac automobile presented him a few minutes before the game; certainly more than any other game on the schedule this was the one Hink wanted.

Notre Dame was fresh from an upset victory over Kentucky two nights before. And three straight Irish lickings were fresh in Bulldogs' minds.

If the words of the sage, "... He asks you not how you won or lost, but how you played the game" are true, then Butler has a date with destiny. Many times right down to the final heart-breaking seconds it looked as though the Butlermen were going to leave the floor jubilant victors. But it wasn't in the books. To pick an outstanding Butler player would be sheer folly. February 4, 1948, was the night they ALL won the admiration of everyone who watched.

Reminiscently yours...

ALPHA CHI OMEGA

Alpha Chi Omega was founded at DePauw University on October 15, 1885. Its membership is steadily increasing in both the United States and Canada and has come to include 72 active chapters. An Alpha Chi chapter was installed on the Butler campus in 1925.

In September at the formal Panhellenic dinner, thirty-one pledges received the green and crimson Alpha Chi ribbons. The new pledges were introduced to the campus at a formal open house late in September.

Alpha Chi officially heralded the opening of its fall social season with a tea dance, held at the chapter house after the Butler-Ball State football game. After the Homecoming game alumni were honored at an open house. Homecoming was the occasion for special celebration since Alpha Chi captured the trophy for homecoming decorations for the second consecutive year. Early in November a box social was given by the pledges.

The December calendar included the Christmas party, carolling, and the chapter's traditional formal Christmas dance. In the spring of 1947 the Alpha Chi's won the trophy for Geneva Stunts. Jeanne Minney was elected Sophomore Sweetheart by the men of the class and reigned over the Sophomore Cotillion. Alpha Chi Omega has been very active this year in clubs and honoraries. Mildred Marshall was president of Scarlet Quill, and Carmel Cecile was president of the Spanish Club. Many Alpha Chis participated and held offices in Chimes, Color Guard, Loyalty Legion, Kappa Beta, Collegian, Drift, Sigma Tau Delta, A. W. S. and M. S. S. Patricia Pointer was elected Secretary of the junior class and Delores Daugall was vice-president of the sophomore class. Mildred Marshall and Carmel Cecile were both elected to "Who's Who."

Chapter officers for the year were Dorothy Swickard, president; Jo Ann Fritz, vice-president; Mary Schreiber, secretary; Martha Lee Lancet, treasurer and Delores Daugull, rush chairman.

DELTA DELTA DELTA

Delta Delta Delta was founded at Boston University on Thanksgiving Eve, 1888. The sorority is international and has ninety-two chapters, three of which are located in Canada. Delta Lambda chapter was founded at Butler in 1914. The Tri Delt social calendar opened this year on October 12 when the pledges were formally introduced to the campus at the annual open house. During November the National District President was entertained. Other social events for the year included Founder's Day, the Christmas dance—"Winter Fantasy," State Day, The Dublin Fair held to raise money for the Tri Delt scholarship fund, the pledge dance, and the annual June dance.

MRS. HELEN FITZGERALD

At the Freshman Mixer, pledge Jeanne Wilson was chosen Typical Freshman Girl. Jean Ann Bates was a 1948 Drift Beauty Queen. Tri Delt also won the Spring Sing of 1947. This year Tri Delt has been under the leadership of Phyllis Hollar King, president; Betty Jo Morrison, vice-president; Betty Keough, recording secretary; Barbara Lovelle, treasurer; and Barbara Myers and Elizabeth Ott, rush chairmen.

Members have been active in various activities on the campus. Betty Keough and Betty Jo Morrison were elected to Scarlet Quill, and Barbara Myers and Dorothy Newburg were claimed by Chimes. Members of Spurs this year were Carolyn Johnson and Peggy Millen. Those chosen for Who's Who were Betty Jo Morrison and Betty Keough. Betty Keough was also elected president of A. W. S., Phyllis Burck served as president of Welwyn Club, and Phyllis King held the presidencies of Panhellenic and Democrat Club. Joan Keller was elected by the freshman class to serve as secretary and Rose Marie Stienbach was head majorette for the band. Student council seats were held by Betty Jo Morrison and Norma Brown. Tri Deltas also were active in Loyalty Legion, M. S. S., Y. W. C. A., cabinet, W. A. A., color guard, and other campus organizations.

KAPPA ALPHA THETA

In 1870, Kappa Alpha Theta was founded on DePauw University campus. Gamma Chapter was organized at Butler in 1874, being the first sorority on this campus.

The fall semester was introduced successfully when Theta pledged twenty-eight. Soon after they received guests at a formal tea and open house.

The social session opened with a masked Halloween Dance at the Chapter House. The annual Christmas party was held on the seventeenth of December, which was preceded by the traditional carolling of the fraternal organizations. The following Friday the house was the scene of the chapter dance.

Our fathers were honored at the annual Dad's Day Dinner at the house in December.

High scholastic attainment is one of Theta's standards and we are proud to have 14 girls in honoraries. Rene Cottingham and Phyllis Maish represent Scarlet Quill; Rosemary Ronsheim, Chimes; Jean Hodek, Patty Rowe, Jane Dietrich, Cathy Hart, Marcet Gribben, Joan Leatherman, Spurs; Patty Roe, Cathy Hart, Phi Chi Nu.

Other achievements attained by our chapter include: Joy Mudd, Managing Editor of the Collegian, President of Kappa Tau Alpha, vice-president of Theta Sigs; Rhea McGoldrick, vice-president of the senior class, president of Tau Kappa Alpha; Rosemary Ronsheim, representative of the student council and Anna Harshman, editor of the Drift.

KAPPA KAPPA GAMMA

Mu chapter of Kappa Kappa Gamma was established on the old Irvington campus of Butler, eight years after the founding of the national organization at Monmouth College, Monmouth, Illinois, on October 13, 1870.

The outstanding event of the Kappa year occurred at the Indianapolis Athletic Club, when the chapter was presented with the Indianapolis Panhellenic trophy for the third consecutive year in honor of maintaining the highest grade average on campus for that period of time. This made them the final possessors of the trophy.

The year's activities began with the Panhellenic Pledge dinner at the Murat Temple, at which time seventeen new pledges were honored. Social events included open house, after-game coffee after the Homecoming game, the annual chapter Christmas party, the Christmas dance, and the pledge dance.

Kappas honored in campus activities were numerous: Rebecca Taggart and Mary Fritsche were elected to Phi Kappa Phi; Jean Redwine Reynolds, Mary Fritsche, and Rebecca Taggart were members of Scarlet Quill, Joanne Jennings was president of Chimes the first semester, and Joan Yarian was secretary. Alice Anderson, Joan Freyn, and Patricia Pearson were elected to Spurs, Nancy Claar was vice-president of the freshman class, and Carolyn G. Smaltz was elected one of the five Drift beauty queens. Many other Kappas held offices in departmental clubs and honoraries.

Officers for the year were Barbara Wells, president; Rebecca Taggart, standards chairman; Joanne Jennings, rush chairman; and Mary Elizabeth Gordon, treasurer.

MRS. GRACE WATKINS

PI BETA PHI

Pi Beta Phi was founded at Monmouth College, Monmouth, Illinois, under the name of I. C. Siroisis, on April 28, 1867. Since its birth, Pi Beta Phi has grown to more than 90 active chapters and 42,000 members.

This year Indiana Gamma commemorated its fiftieth year on the Butler University campus. Amu Bunham Onken, National Grand President, was guest of honor for the week-end celebration. Pi Beta Phi is proud to have been representative on the Butler campus for over half a century.

Pi Beta Phi has been prominent in social and campus activities throughout the year. Thirty-two girls were introduced to the campus at an open house in October. Early in the fall the annual barn dance was held, which was followed by the Christmas dance held at Hillcrest Country Club. Indiana Gamma played host for the yearly State Day in April at the Indianapolis Athletic Club. Exchange dinners were held with the fraternities and the year's activities came to a close with the traditional pledge dance.

Pi Phis received many honors in 1947 and 1948 and were active in campus organizations. Nanette Newlin was chosen as a Drift beauty finalist. Phi Chi Nu claimed Alice Robertson and Bowman. Spurs, in addition to these two girls, tapped Barbara Shellhouse, Beverly Mussowis, and Joan Sheppard. Betty Beck was elected secretary of the senior class. Patricia Bond was elected to the Student Council and vice-president of Y. W. C. A.

Officers for the year included Rene Sims, president; Betty Beck, vice-president; Phyllis Augustine, secretary; and Jean Trauss, treasurer. Pi Beta Phi is indebted to Mrs. Ethel Wright for her gracious supervision as house mother.

ZETA TAU ALPHA

Zeta Tau Alpha was founded at Virginia State Normal School, Farmville, Virginia, on October 15, 1898. It was chartered by the Virginia State Legislature and now has 82 chapters located throughout the United States and Canada. Miss Esther Renfrew, a member of the Butler faculty as a professor of romance languages, was a founder of Alpha Delta chapter when it was installed on the Irvington campus June 15, 1920.

Nineteen pledges were honored at the Panhellenic Banquet in the fall and were introduced to the campus at the formal open house in October.

Zeta Tau Alpha received honorable mention for the float entered in the homecoming parade. Following the game alumnae were honored at a buffet supper. The Women's Department Club was the scene of the formal Christmas dance. Exchange dinners were held with fraternities on campus. The pledges held their traditional dance in April and Zeta Tau Alpha State Day was held at the Indianapolis Athletic Club May 1.

Among the outstanding Zetas are: Henrietta Rohde, secretary of A. W. S. and vice president of Welwyn Club; Maxine Brock, senior representative on the student council; Margaret Field, vice-president of the Commerce Club; and Carol Ann Kraft, treasurer of Welwyn Club. Other Zetas were active in many campus organizations. Eight Zetas were pledged to Kappa Beta.

Chapter officers for the year were: Hilda Humke, president; Catherine Morris, vice-president; Betty Malott, secretary; Henrietta Rohde, treasurer; Maxine Brock, rush chairman; and Dorothy Young, historian.

MRS. CLARA FULTON

TRIANON

Trianon, national non-Greek sorority, was founded on the Butler campus December 28, 1929. This chapter is one of the mother chapters, along with those of the University of Cincinnati and Miami University. Trianon, since its founding, has taken an active part in campus activities.

Social events were highlighted by initiation for new members at a banquet in January, which was held in connection with Founders' Day. Wiener roasts, a tea with the mothers, and monthly spreads in the Trianon room in the basement of Jordan Hall were also held.

Other campus activities were participated in by Trianon girls. Betty Swann was president of the Student Council. Jeanne Malott and Dorothy Reinacker were elected to Phi Kappa Phi. Dorothy was also in Who's Who and Scarlet Quill. Chimes selected Marjorie Little, and Betty Strols. Jane Avery and Mary Ethel Jackson were members of Spurs. Shirlene Whitaker and Dorothy Reinacker were initiated into Kappa Delta Pi. Jeanne Malott served on the senior staff of the MSS.

Officers this year were: Dorothy Reinacker, president; Thora Feltis, vice-president; Elsie Popplewell, recording secretary; Shirlene Whitaker, corresponding secretary; Jeanne Malott, treasurer; Mary Ethel Jackson, marshal; and Hilda Dudziak, social chairman.

Mrs. Karl Means served as adviser, and Miss Mary Owen was the faculty sponsor.

DELTA TAU DELTA

Delta Tau Delta was founded at Bethany College, Virginia, in 1859. The Rainbow or W. W. W. Society, founded at the University of Mississippi in 1848, merged with Delta Tau Delta in 1886. Beta Zeta Chapter was chartered the following year, and the Deltas acquired the first fraternity house on the Butler campus.

Beta Zeta began the year with a careful rushing program designed to keep the chapter strong in future years. As a result an outstanding pledge class was obtained.

The first function of the year was the annual fall pledge dance. The theme this year was "Come as you are." Following this was the annual trek to Spring Mill State Park the week-end of Thanksgiving. The thirty couples attending had a wonderful vacation. A treasure hunt, hayride, picnic, and dance kept the party moving.

Campus affairs found Jim Cline elected to the presidency of Blue Key, Paul Bevelhimer, president of the freshman class, Art Graham, secretary of Sphinx, and Dean Finley, vice-president of Utes. Robert Watkins served as president of Alpha Delta Sigma. Scott Christie was chosen for Who's Who Among Students in American Universities and Colleges and served as secretary-treasurer of the Student Council. Byron Fry was president of the Y. M. C. A.

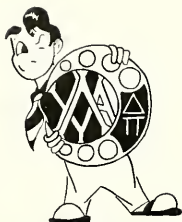

Officers for the year were Scott Christie, president; George Black, vice-president; Robert Watkins, recording secretary; Carl Henn, corresponding secretary; and Clyde Steckel, treasurer.

Mrs. Olive Sims was housemother for the second year.

MRS. OLIVE SIMS

LAMBDA CHI ALPHA

Lambda Chi Alpha has been in existence for thirty-two years. It may be traced as far back as 1905 when the Cosmopolitan Club, which later became the parent of Alpha Zeta, the first unit of the fraternity, was established at Boston University. It has established its organization in 120 leading universities and colleges in United States and Canada. The Chapter was founded at Butler in 1915.

Lambda Chi Alpha has been guided through a most successful year by brother Nahrwold. Ever striving for high scholastic attainment, the fraternity is represented in the honoraries by brother Richard Agnew in Sigma Delta Chi, two brothers in Blue Key, three brothers in Sphinx and eight brothers in Utes. Many other members of the fraternity hold prominent positions in the Student Council, the Butler Collegian, Loyalty Legion, Philosophy Club, Flying Club, and the Republican Club. The fraternity has been well represented in varsity football by Murphy, Fike, Bennett, Jones, Mcsemek, Fulk, Peterson, Warner, and Wright.

The chapter wishes to express its sincere thanks to the housemother, Mrs. Mary Butler, for her help to the fraternity.

PHI DELTA THETA

Phi Delta Theta fraternity is preparing to bring to a close one hundred years of collegiate fellowship in the United States and Canada. We, who have found the pleasure of brotherhood, feel justifiably proud in the accomplishments of the past. We face an uncertain future with the knowledge that what little good we may do during our brief rest here looms large against a background of mutual dislike of people by people.

Consider these men: our own Hilton U. Brown, President Benjamin Harrison, Vice-President Adlai E. Stevenson, Eugene Field, Lou Gehrig, Tom Harmon, "Muddy" Ruel, Claude Vinson, Secretary Tom Connally, William Allen White, Louis Bromfield, Ken Niles, Admiral John C. McCain. These men, of different ideals and beliefs, found a common bond of friendship in this fraternity which has served them as they served it . . . faithfully and well. This most basic of emotions, and yet the most difficult, was easily brought to the surface by these men, united in purpose.

Phi Delta Theta has grown with Butler University since 1859 when it became the first fraternity on the fairview campus. This has participated actively in both athletic and academic enterprises. This year, Brothers Bill Tobin and Brooks Walters edited the "Collegian, Farroll Speake and Jack Fultz were associate editor and publicity director for the "Drift," and an all-Phi team overrun the fall tennis tournament.

Brothers Walker Kemper and Grant Appel were Indiana Gamma presidents for this year, and Brother Leroy Compton presided for a short while before accepting a position in the teaching profession.

"Mom" Shaffer put in her eleventh year as housemother and Dutch Uncle to her boys in the stone castle.

MRS. BESSIE SHAFFER

SIGMA CHI

The Sigma Chi Fraternity was founded at Miami University, Oxford, Ohio, in 1855, on the principals of honor, integrity, scholarship and brotherhood. Rho chapter was installed at Butler University on April 16, 1865, the sixteenth of 109 chapters of Sigma Chi.

Sigma Chi opened the social season with an open house presentation of its new housemother, Mrs. Ruby E. Hoffman, Pi Phi, of Red Oaks, Iowa. Miss Dorothy Gard, Kappa Alpha Theta, was chosen "Sweetheart of Sigma Chi" at the annual sweetheart Dance.

Scholastically Rho Chapter tied for first honors within the national fraternity. Rho Chapter was awarded the first Maxwell E. Hosea trophy to be presented to a fraternity.

Jim Harrap coached a victorious team to the undisputed possession of the intramural football trophy. Sigma Chi had the winning float in the Homecoming Parade.

Rho Chapter has the honor of being represented in Who's Who Among Students in American Universities and Colleges by Robert Coyner and Robert Terrican.

Officers of Rho Chapter are Bill Roberts, Consul; Orin Bartle, Pro-Consul; Jimmy Vaughn, Annotator; Robert Terrican, Quaestor.

SIGMA NU

Epsilon Mu chapter of Sigma Nu fraternity has the distinction of being the youngest Butler fraternity. Founded May 7, 1926, the chapter has owned its house since 1941 and is prominently represented by over 100 members from five states and Mexico.

Commander James A. Beeler, president of the Interfraternity Council, succeeded past commander Nick S. Smyrnis. Assisting him were Lieutenant Commander Max E. Winteregg, Recorder William M. Osborn, Marshall Richard Geib, Sentinel John Martin, and Chaplain Kenneth Bayless.

Housemother Elsie Kierst has worn the White Star for two years.

1947 saw the greatest turnout of Sigma Alumni in the history of the chapters to witness the annual homecoming activities.

Brothers from the DePauw chapter and other dates were entertained at an informal house party the night of the Butler-DePauw football game. Individual members distinguishing themselves were Walter F. Dodd, senior president of the Loyalty Legion; William Osborn, senior president of Phi Eta Sigma; Student Manager Lloyd W. Olcott, treasurer of the junior class; and Marshall Williams, freshman fight captain in the annual freshman-sophomore "battle of the beanies."

Trophies coming to rest on the Epsilon Mu mantel were the 1946-47 all sports trophy and the annual Y. M. C. A. membership drive trophy.

The annual Sigma Nu White Rose dance was held at the Hillcrest Country Club in November, and the pledge dance was presented in March.

Participating in the field of athletics were Bob Hamilton, Bob Runyan, and Don Roberts on the football varsity, and Bill Larsen on the basketball squad.

MRS. ELSIE KIERST

ALPHA EPSILON

Alpha Epsilon, better known as the Stray Greek Chapter on Butler Campus, was officially recognized in the Spring of '47.

It was formed to foster and perpetuate good feelings among all off-campus Greek lettered fraternity men and now boasts members from nine fraternities not represented on Butler Campus.

They have had a very successful year as they started off by placing third in the Homecoming Float Contest with only a small group of hard-working men. Next jump was to be given an official seat on the Inter-Fraternity Council.

The sponsor of the Strays is Dr. C. E. Aldrich, Director of the Division of Graduate Instruction.

Officers of this organization are: President, Bill Thompson, Phi Gamma Delta; Vice-President, Larry Finley, Theta Chi; Secretary, Bob Bogan, Alpha Tau Omega; Treasurer, Ed Kennedy, Phi Gamma Delta; Political Chairman, Jim Kennedy, Phi Gamma Delta; Social Chairman, Jim Grimes, Phi Gamma Delta.

BUTLER INDEPENDENT ASSOCIATION

The Butler Independent Association, local chapter of the National Independent Student Association, was organized in September of 1932 to foster and perpetuate a unified spirit among Butler students not affiliated with Greek letter societies. B. I. A. members have endeavored to fulfill the association's purposes of perpetrating and promoting social, political, and cultural interests.

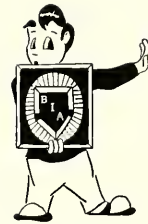

The B. I. A. pin is a blue shield with gold letters. Meetings are held every Wednesday in the social room which is located in the northeast corner of the basement.

Highlights of the yearly activities were the annual weiner roast, Christmas party and carolling, initiation banquet, and the traditional spring outing. B. I. A. members participated in all campus activities: intramural sports, beauty contests, class elections, cheer drive, and Geneva stunts.

The following members were elected to office for the 1947-48 school year: Joseph O'Nan, president; Virginia C. Rodman, vice-president; Anne Malott, secretary; Kenneth Ordel, treasurer.

Co-pledge chairmen were Lewis Miller and Wilma Smith.

Dr. and Mrs. Means, Dr. and Mrs. Elliott, and Mr. and Mrs. Henzie were sponsors of the organization.

Reminiscently yours...

REMEMBER?

Sure you do. You'll never forget. The care-
less, care-free, uninhibited extra-curricular
activities. The nights at Oaklandon, eating
hot dogs at the ball games, hailing "King
Caucus," that cup of coffee in the cafe-
teria, and remember homecoming, the bon-
fire, working all night on your decorations,
the big parade, a thrilling victory over
Western Michigan, and the dance that
night. Queen Iovine reigned, but the real
queen was in your arms. Remember when
the Campus Club burned? You were com-
ing home after church. You couldn't be-
lieve your eyes, but you weren't sorry. Al-
ready you had visions of a much-needed
Union Building.

. . . and the night you stood and looked
over the campus, the lights were twinkling
along sorority row, Arthur Jordan Hall was
sharply etched against a full Indiana moon.
As you stood there you knew that you could
have done better if you had tried. Your re-
flections were tinged with bitterness as you
thought of your buddies who would never
be in college—they were sleeping in foreign
soil.

Remember . . .

Drift Beauty Contest

On December 9th the Butlerites crowded into the auditorium of L. S. Ayres and Company for the selection of the five Drift Beauty Queens at the traditionary contest sponsored by the publication.

The judges were really put on a spot when they had to select five beauties from a field of forty-six entrants. Their decisions are illustrated on the following pages.

Noble Bretzman, photographer; Corbin Patrick, dramatic critic of the Indianapolis Star; Mayor Al Feeney, Johnny Long, famed band leader, and Professor Robert Newton, of the Butler University Department of Economics, made the final selection.

Noon Friday. Remember? Classes were shortened and everyone made for the choice seats on the Phi Delt roof and the Sigma Nu porch while the Frosh battled unsuccessfully to swipe the Sophomore flag from the top of that greased pole. Below, Charlie Kemper gets about as high as anyone.

Then the parade down town and the girls smiled becomingly at the sidewalk lotharios, while the men craned their necks as the office windows bulged with stenographers.

Something seemed to be missing from the bonfire that night. The old grads knew too well what it was. Understand competition and you understand America, they say.

Far into the damp Indiana night, emergency crews sweated and, contrary to faculty wishes, swore, as last minute touches were dealt the house decorations. Four o'clock in the morning you took a quick turn around the campus, checked the other houses, decided yours was The best, and hit the sack.

Mr. and Mrs. Bill Batten prove that they are a perfect combo as they exchange radiant looks of approval. The Mrs. has just won a ticket to the Blanket Hop for having construed the corsage of corsages.

Glo puts up a good front for the boy friend as Rea, Peggy, and Phyl show exactly how they feel about the whole darned affair. Honestly, now gals, it wasn't so bad—or was it?

Buddy seems to be having a great time as the Theta house president foots the bill. Smile Jody 1948 is "Leap Year" and you can do it for a whole year if you like.

PANHELLANIC DANCE

THE WOMEN PAY . . .

The annual turn-about dance. You picked your man and you paid his way, and you winced every time he glanced at his empty coke bottle. It shot two weeks allowance by the time it was over, and you were glad it happened only once in a while.

THE WOMEN ALSO WORK . . .

All night you spent on that corsage. All night and cut yourself six times, and either he thought it was silly, or couldn't figure it out. Worse yet, the judges overlooked it completely. The radishes wilted and hot water bottle leaked all over his suit. But, he laughed and told you he really thought it was the most original of them all.

AND THE MEN LOVED IT . . .

It's all on the house. No gas to buy, no corsages to buy, no tickets to buy, no nothing to buy. Pardon the English. She opened the door, helped you on with your coat and even bought the smokes. You knew you were a dog, but you reveled in every minute of it.

SIGMA DELTA CHI BLANKET HOP

The Sigma Delta Chi, sponsor of the traditional Blanket Hop, acclaimed one of the most successful dances of the year at the Murat Temple on December the ninth. Not only was the P. M. highlighted by the noted band of Johnny Long, but the publication of the Bullegian, edited by the honorary, added sparks to the occasion.

Massarui, Dobkins, Guyer, Fulk, and Hurley eye the blanket speculatively, as Chairman Bucky Walters gives the announcer the word.

Butler takes the air waves as Johnny Long broadcasts a half-hour show.

It looks like a hot time in the old Campus Club. No crocodile tears were shed at this event.

Keys not carried in the pocket or the purse.
But in the mind. Keys that open not just ordinary doors . . . but vast areas of achievement in the sciences, the arts, the humanities. It is one of the purposes of education not only to fit the student with a basic ring of keys to knowledge . . . but also to teach him how to make his own keys for all the doors to achievement he will want to open throughout his life. How many keys to achievement are needed? Enough to keep one busy for a lifetime, fashioning them out of knowledge, reason and experience. For no matter how many doors you unlock, there is always another door to even greater achievement still to be opened.
